IT Language Learning Tip

- ★ There are some great tongue-twisters on YouTube to really exercise the mouth and shape it for French...and learn vocab too.
- ★ Sarah Bernhardt and Edith Piaf probably practised them every morning ☺

The French Country Market
Went really well with over 60 people
showing a genuine interest and
taking a flyer...
Please welcome them at our
Rendezvous or Christmas Party!

Pétanque

Merci Davide and Lise for hosting Pétanque.
Merci for those who come to play...
Davide also organised a few games at the
French Country Fair which was very welcome.
Do join us on 13th December at the Christmas
Party and before the Rendez-vous at Erina
Leagues Club. ☀

Merci beaucoup!

A la prochaine

Until next time ☀
